UAB "Longo LT" is part of the international company Longo Group, which is active in the field of used car trade. The company sets high standards offering a fully transparent and reliable purchase, sale and financing for used cars. The company values transparency, honesty and professional approach in everyday processes. The whole process, starting with the purchase of a car in the Netherlands, up to its export to Lithuania, technical inspection and registration in Lithuania, is done inside the company and the team of professionals takes care of it. Because of this, we are proud to offer a **lifetime guarantee for vehicle history.**

longo Certified

With respect to SKODA OCTAVIA with VIN number TMBJD7NE5G0152906
UAB "Longo LT" certifies that:

- Netherlands is this car's first and only registration country
  - *This car for the first time on 01.2016 has been registered in the Netherlands and is the first and only country of registration for this car. It has never been registered in any other country. Vehicle was exported to Lithuania on **.**.** and received its registration on **.**.**.*

- This car has a complete and verified ownership history
  - *This car has always been used as a personal vehicle. It has not been used as a taxi or rental vehicle, in a commercial setting or as a service or government car.*

- This car is not encumbered by any financial commitment or obligation.
  - *The car was exported from the Netherlands by Longo Group JCS and all procedures have been followed with all taxes and fees paid. It is not subject to any commitments or obligations towards a third party.*

- The mileage of this car is original and has not been modified.
  - *The history of this car's mileage is true and tested in the Dutch National Vehicle Register. Thanks to a system that has been in operation for over 25 years, for every car, that is registered in Netherlands could be requested Tellerrapport (RDW) report - that provides full information about its owner as well as the odometer. Thanks to this, the customer can be sure that car's with VIN no. TMBJD7NE5G0152906 odometer is true and has not been modified when imported in Lithuania.*

- This car is in good technical condition
  - *We have checked this car and confirm that it has never been involved in major accidents, has regular maintenance, as well as mandatory roadworthiness tests in the country of export. In Lithuania, this car has passed obligatory technical inspection too.*
