SIA "Longo Latvia" is part of the international company Longo Group, which is active in the field of used car trade. The company sets high standards offering a fully transparent and reliable purchase, sale and financing for used cars. The company values transparency, honesty and professional approach in everyday processes. The whole process, starting with the purchase of a car in the Netherlands, up to its export to Latvia, technical inspection and registration in Latvia, is done inside the company and the team of professionals takes care of it. Because of this, we are proud to offer a **lifetime guarantee for vehicle history.**

longo Certified

With respect to PEUGEOT 2008 with VIN number VF3CUHNZ6FY080426
SIA "Longo Latvia" certifies that:

- Belgium is this car's first and only registration country
  - *This car for the first time on 06.2015 has been registered in the Belgium and is the first and only country of registration for this car. It has never been registered in any other country. Vehicle was exported to Latvia on **.**.** and received its registration on **.**.**.*
- This car has a complete and verified ownership history
  - *This car has always been used as a personal vehicle. It has not been used as a taxi or rental vehicle, in a commercial setting or as a service or government car.*
- This car is not encumbered by any financial commitment or obligation.
  - *The car was exported from the Belgium by Longo Group JCS and all procedures have been followed with all taxes and fees paid. It is not subject to any commitments or obligations towards a third party.*
- The mileage of this car is original and has not been modified.
  - *The history of this car's mileage is true and tested in CAR-PASS. A Car-Pass is a document that shows the odometer history of a vehicle. It shows the registered odometer readings and the dates when they were recorded by previous and existing owners. Thanks to this, the customer can be sure that car's with VIN no. VF3CUHNZ6FY080426 odometer is true and has not been modified when imported in Latvia*
- This car is in good technical condition
  - *We have checked this car and confirm that it has never been involved in major accidents, has regular maintenance, as well as mandatory roadworthiness tests in the country of export. In Latvia, this car has passed obligatory technical inspection too.*
